Beef Tongue \$4.50 in continuous time will be lost in getting men to redeem the promise made by the TTER—The market is steady and higher for choice; prime to choice Western Reserve, field at 25c; catra nice do. in small pack ages 20c; catra nice do. in small pack by the Baltimore and Ohio authorises that the decision between them cities that the decision between them cites that the decision between them cities that the decision between them cities

Comment on our part is not nec essary, as every intelligent reader will at once see what the duty of the lines. With any reasonable effort on the part of this County in connection with the other counties on this line, there is no doubt but that we can secure its location through here, as this is the shortest route by twenty-three miles, besides

to build it. Henry Ward Beecher says that the nost gratifying circumstance in his life was the being kissed by Kossuth.

Isn't this a little hard on poor Mrs Beecher? A school for teaching "darning" is to be opened in Montgomery, Alabama, by a lady of that city, who is

A celebrated wit was asked why he did not marry a young lady to whom he was much attached. "I know no reason," replied he, "except the great regard we have for each other." The following announcement late

side the building, with a window sash for a necktie. An Ohio youth, sitting in church mistook the gentle touch of the ady for a fly on his neck, and with

Cincinnati claims to be the fourth manufacturing city in the United States, only New York, Philadelphia and Boston excelling it. Last year the total of the manufactures in the city was \$119,140 89, employing 59,-354 persons.
